Indiana Dept. of Agriculture

PRICES FOR 1923

All former prices cancelled. Prices quoted here are for good healthy roots, with from 3 to 5 eyes, good standard sized roots. The one-eye divisions will have from 1 to 2 good eyes, and equal to or better than the average one-eye division sent out. I do not send split roots as they are very unsatisfactory. In fact I would advise all to purchase standard sized plants. Order early as some of the rare varieties are very scarce. Orders will be filled in rotation as received. Be very careful in writing your name and address plain.

While we use the greatest care to have all plants furnished by us true to name, and will replace any that may prove untrue, no sale by us carries a warranty of quality, express or implied, and for any error we shall not be liable for more than the purchase price. Every purchase from us is made on these terms.
